

**RUSKIN AIR MANAGEMENT LIMITED  
ENVIRONMENTAL STATEMENT**

RUSKIN AIR MANAGEMENT LIMITED TAKES ITS RESPONSIBILITIES TO MINIMISE THE EFFECT OF ITS BUSINESS ON THE ENVIRONMENT VERY SERIOUSLY. IT IS THE COMPANY'S AIM TO ACHIEVE ENVIRONMENTAL EXCELLENCE, INTEGRATED WITH THE ESTABLISHED COMMITMENT TO HEALTH, SAFETY AND QUALITY, COVERING ACTIVITIES, BOTH DIRECT AND INDIRECT, WHICH HAVE AN ENVIRONMENTAL IMPACT ON AIR, WATER, LAND, EMPLOYEES AND NEIGHBOURS

It is the company's intention to: -

1. Conduct our activities with respect and care for the environment by implementing environmental strategies aimed at building a successful business to the benefit of our shareholders; suppliers; customers; employees and neighbours
2. Assume responsibility for people and the environment and ensure this statement is communicated and implemented at all levels throughout the company.
3. Comply with legislation and regulatory requirements, by, where feasible, applying techniques aimed at removing or at least minimising the environmental effects of our production and emissions to air, water and land.
4. Develop and manage activities which make efficient use of energy and raw materials, minimising production waste and by-products ensuring their safe destruction or disposal where re-use or recycling are not possible
5. Promote the correct use of our products to minimise pollution and risks and ensure the selection of our suppliers supports this statement
6. Commit ourselves to continuous improvements in environmental performance by setting objectives against which standards can be measured, encouraging employee's involvement by improving their awareness of environmental best practice and liaising with the local community and other interested parties.
